SimTree - FLIGHT & DRONE SIMULATION

April 5 & 6

10.00 a.m. - 4.00 p.m. (both days)

DESCRIPTION:

SimTree is a **drone and flight simulation workshop** conducted as part of **Flight '25**, the **national-level technical symposium** of the **Department of Aerospace Engineering, MIT, Anna University**. This workshop offers hands-on experience in **drone technology, flight dynamics, and real-time simulation**, providing participants with practical insights into **UAV design, control systems, and avionics**. It is designed to bridge the gap between theory and application, making it an invaluable learning experience for aerospace enthusiasts and aspiring engineers.
